Irvine Intellectual Property Law Firm Wins Million Dollar Judgment Against Infomercial Company in U.S. District Court; O'Connor Christensen & McLaughlin Wins Case for Dietary Supplement Company

IRVINE, Calif.--(BUSINESS WIRE)--Aug. 5, 2005--A summary judgment of more than \$1 million was awarded this week to Healthy Solutions of Upland, Calif., by the U.S. District Court for Massachusetts, stemming from a case against infomercial producer ITV Direct of Beverly, Mass.

Becky V. Christensen of O'Connor Christensen & McLaughlin LLP in Irvine, explained that Monday's \$1,086,000 award was based on the judge's ruling that ITV Direct had failed to pay Healthy Solutions for the company's dietary supplement, Supreme Greens, which the production company had sold across the United States through infomercials. Supreme Greens, a blend of organic greens and high-quality herbs, was developed based on the principles and tenets of ancient Chinese herbal knowledge.

"This has been a complicated legal case, involving a variety of issues, some of which are yet to be resolved. We are very pleased that the judge has validated our position and recognized the debt owed to our client by ITV Direct," noted Christensen.
